## Testimonials

"Really interesting, was very surprised at how fun and informative it was, I'd say it's one of the best attractions I've been to - great for all ages."

*Tracey Powell, London*

"Best daytime trip! Can well believe the Galleries of Justice is rated the best museum in Britain, we had a fantastic time!"

*Rachel Simson, Essex*

"Apart from what's left of Nottingham Castle, only the Galleries of Justice remain to bear a tangible testament to our city through the ages. From cells that may well have held our most famous outlaw, Robin Hood, to a site where justice was seen to be done, with the resulting brutal hangings on site. The Galleries isn't just a 'must visit' for tourists, it should be obligatory for the locals too!"

*John Holmes, BBC Radio Nottingham Presenter*
